

## IRW 236 Infrared Day & Night Weatherproof Color CCD Camera

*made of ultra high grade Aluminium and painted by static powder technology*

- 1/3" COLOR **SHARP** CCD Image Sensor
- Horizontal Resolution: **400TVL**
- With Board Lens f=4mm/F1.8 - 76° (diagonal angle of view)
- With IR illuminator **35 LED**, automatic ON/OFF, distance: over 18m
- Power 12VDC-400mA, Operating Temperatures: -25°C ~ +50°C
- High quality **Aluminium** Weatherproof Housing **IP-65**
- Size: Ø97mm X 160mm, - 680g, Color: Beige
- Delivery with bracket: MB-115,
- Recommended for Indoor and outdoor applications

## IRD 220 Infrared Day & Night 3-Axis Dome Color CCD Camera

- 1/3" COLOR **SHARP** CCD Image Sensor
- Horizontal Resolution: **400TVL**
- With Board Lens 4 mm/F1.8 - 76° diagonal angle of view
- With IR illuminator **20 LED**, automatic ON/OFF, distance: over 15m
- 3 Axis adjustment for Wall & Ceiling instalation
- Operating Temperatures: -10°C ~ +50°C
- Power 12VDC-350mA, Color: Beige
- Size: 80(H) x Ø115mm, 200g.

## IRW 235 Infrared Day & Night Weatherproof Color CCD Camera

*made of ultra high grade Aluminium and painted by static powder technology*

- 1/3" COLOR **SHARP** CCD Image Sensor
- Horizontal Resolution: **400TVL**
- With Board Lens f=4mm/F1.8 - 76° (diagonal angle of view)
- With IR illuminator **35 LED**, automatic ON/OFF, distance: over 18m
- Power 12VDC-400mA, Operating Temperatures: -25°C ~ +50°C
- High quality **Aluminium** Weatherproof Housing **IP-67**
- Size: Ø80mm X 128mm, - 580g, Color: Beige
- Delivery with bracket: MB-115, Packing: 145x160x90mm
- Recommended for Indoor and outdoor applications
- High Resistance against: all weather conditions, dust, oil, smoke and chemicals
